Pauline Tesler has been named a California “Super Lawyer” every year since 2004, and has been included in “Best Lawyers in America since 2011. Pauline is more than a “super lawyer”. She has earned an international reputation as a pioneer in the family-friendly, interdisciplinary, values-based team approach to family breakup and restructuring that is known as Collaborative Divorce, not only offering skilled collaborative legal representation to her own clients but also teaching the interdisciplinary collaborative method to lawyers and other professionals (mental health and financial) across the world. For that work the American Bar Association in 2002 conferred upon her its first “Lawyer as Problem Solver” award.
